RULE 1. Attorney decorum

Counsel for all parties shall be present and before the Court at the assigned hearing time, unless notice is given to the Judge or Magistrate. Repeated lateness or absences may result in the removal of Counsel from practice in the Court. Counsel for both the State of Ohio and the defendant shall appear at all pretrial conferences unless, for good cause shown, counsel's presence has been waived by the Court.

RULE 2. Conduct in court

Any conduct which interferes or tends to interfere with the proper administration of the Court is prohibited. Non-party spectators may not be allowed in the courtroom without the consent of the Court. Food, beverages (with the exception of water or other approved beverages), and smoking are prohibited in the courtroom during all hearings. No person carrying a bag, case or parcel shall be permitted to enter or remain in the courtroom without first submitting such bag, case or parcel to the Court Constable for inspection. No pagers, mobile phones, or other electronic devices shall be allowed in the courtroom, unless the audible signal is turned off. The Court reserves discretion to limit the use of any electronic device which interferes with or violates rules or Orders of this Court.

RULE 3. Sessions of court

Offices of the Court shall be open for the transaction of ordinary business from 8:30 A.M. to 4:30 p.m., Monday through Friday. Traffic arraignments are typically held two Wednesdays per month beginning at 4:30 PM and continuing until completed. The Court shall observe all legal holidays as provided by law. At the discretion of the Judge, the offices of the Court may be open or closed at other times.

RULE 4. Jury management

All jury trials in the Wood County Juvenile Court are governed by the jury management procedure of the General Division of the Wood County Court of Common Pleas.

RULE 5. Copies of court records

Uncertified copies of any public record may be obtained at the cost of \$0.10 per page. Certified copies of any public record may be obtained at the cost of \$1.00 per page.

RULE 6. Files

All papers filed with the Clerk in any action or proceeding shall be filed under the style and number of the cause and shall remain in the Clerk's office unless otherwise directed by the Court.

RULE 7. Requirements for filing papers

All papers filed with the Clerk including, but not limited to, pleadings, motions, applications, judgments and orders, shall be of a suitable material, neatly and legibly printed, written in ink or typed and securely fastened together, if consisting of more than

a single sheet. The use of covers or jackets is not permitted. Filings shall be on 8 ½ " by 11" paper.

The first page shall have a margin of at least two inches at the top of the page.

All papers filed subsequent to the complaint shall be designated under this Court's case number and the name of the Judge.

Upon the filing of a complaint or any other pleading or motion for which service of summons is required, sufficient copies shall be filed so that one copy may be served upon each party. The Clerk shall, upon request, furnish additional copies at the fee provided by law.

Upon the filing of any motion or application, sufficient copies shall be filed so that one copy may be provided to the Judge or Magistrate.

Filings by electronic transmission are permissible under the conditions described in Local Rule 7.2 and 7.3.

RULE 7.1. Court costs

1. No motion to proceed In Forma Pauperis shall be granted by the court unless there is attached a statement by the attorney for the party executing such affidavit that the attorney has not accepted and will not accept any attorney's fees in said cause until the costs are paid or secured to be paid.
2. Unless a motion to proceed In Forma Pauperis is filed and accepted by the court, or the court waives deposit for costs, the following amounts shall be deposited with the Clerk of Courts:

\$150 – For all of the following which initiate or re-open a closed matter: Complaint/Motion/Third Party Motion for custody or modification of parental rights and responsibilities; establishment of paternity; visitation; child support and/or contempt (except for cases initiated by the Wood County Child Support Enforcement Agency -- in which case any costs will be assessed at the end of the case).

- However the court may determine at the first hearing the party most able to make the deposit; and upon order of the court, that party shall deposit an amount determined by the court; and if the court so orders, the clerk shall refund the original deposit to the extent the combined deposit exceeds that required.
- Failure by the party to deposit the amount ordered may result in the party being sanctioned including the striking of any pleading or the case proceeding as in default.

\$50 – Counterclaims/Crossclaims/ and all subsequent motions in pending cases seeking custody, establishment of paternity, visitation, child support and/or contempt.

\$63 - Consent Judgment Entries as the initial filing. No consent entry will be accepted unless accompanied by a deposit.

\$400 – Additional filing fee required for any civil case requiring service by publication. No charge will be assessed for abuse, dependency and neglect cases initiated by the Wood County Department of Job and Family Services.

\$300 - Jury deposit. The deposit must be paid 30 days before trial or jury trial is waived.

\$125.00 – Surrogacy

\$200 (\$50 by statute - \$150 deposit on costs) - Expungement of criminal conviction.

\$250 – Home study (initial visit).

\$60 – Home study (subsequent visit).

\$200 – Notice of Appeal

3. If a party is due a refund of deposit in any case, before making said refund, the Clerk of Courts may apply the refund to any court costs then owed by the party.
4. All user fees and deposits are paid through the e-filing system and must be paid by credit card. A convenience fee will be charged by the clerk's credit card processing vendor.
5. Unless otherwise ordered by the court, payments received by the clerk of courts in a case where more than one financial obligation exists shall be applied in the following order:

Supervision Fees for Probation (in cases where a criminal defendant or a delinquent/unruly child is sentenced to community control or probation and ordered to pay supervision fees);

To any order of restitution;

To court costs;

To any order to reimburse Wood County for costs of appointed counsel, incarceration, community control sanction, or any other financial sanction; and

To any fines.

6. If a check or other negotiable instrument for deposit for costs is dishonored for any reason, the filing may be dismissed by the court for failure to pay the required security for costs after ten days' notice is given to the filer.
7. If at any time the deposit for costs becomes insufficient in any case, the clerk shall require of the appropriate parties an additional deposit in an amount sufficient to secure the reasonably anticipated additional costs.
8. When a judgment entry orders payment of costs by a party who has a deposit with the clerk, the costs shall be deducted from that party's deposit, if sufficient, and any balance shall be returned to the depositor. If, however, the deposit is insufficient or the party has no deposit, then the amount still due shall be billed to that party. If there is a failure to pay within 60 days from the clerk's cost statement by the party so ordered, the clerk shall deduct the costs from any deposit held in that case.
9. If notice of voluntary dismissal is filed by a plaintiff or an appellant, the dismissal shall be at the cost of the dismissing party, unless otherwise ordered.
10. When an entry terminating a pending matter does not specify who is to pay the court costs:

- In civil proceedings initiated by the Wood County Child Support Enforcement Agency, the clerk shall assess the costs to the Wood County Child Support Enforcement Agency IV-D contract.
- In all other civil proceedings, the clerk shall deduct the costs equally from any deposits held and refund the remainder. If the deposits are insufficient to satisfy the court costs, the clerk shall then assess the excess costs to the parties equally unless otherwise ordered. If there are no deposits, the clerk shall assess the costs to the plaintiff/movant/initiator.

11. The commission charged by the clerk of courts pursuant to R.C. 2303.20(V) shall be paid by the party paying or depositing money at the time of payment or deposit with the clerk unless otherwise ordered by the court.

12. At the termination of any case, the clerk shall not bill any party for costs less than \$5.00. The clerk shall not refund any balance remaining from a deposit that is \$5.00 or less, unless a written request for the refund is made within 14 days after the termination of the case.

13. Arrangements for the payment of the costs of transcripts shall be made with the clerk of court at the time the transcript is ordered. Transcript costs are addressed by separate court rule.

RULE 7.2. ELECTRONIC FILING OF DOCUMENTS (E-FILING).

A. Terms and Definitions as used in Rule 7.2.

“Accepted” means an electronically filed document has been reviewed by the clerk,

filed, and docketed.

“Clerk review” means an inspection of electronically filed documents by the clerk for compliance with court rules, policies, procedures, and practices made before creating a docket entry.

“Court electronic record” means documents received in electronic form, recorded in its case management system, and stored in its document management system. Electronically received documents include documents received in paper form and scanned into electronic format, but do not include physical exhibits and other things which cannot be fully captured as an electronic image.

“Court initiated filings” are documents, such as notices or orders, created by the court and entered into the case management system.

“Designated e-file case types” are cases or types of filings which must or may be filed electronically.

“Docketed” is the entry of an item into the official court record.

“Document management system” (“DMS”) is the scheme for receipting, indexing, storing, and retrieving electronic and scanned case documents.

“E-filer” is a person registered with the court and authorized to file and receive documents electronically.

“Electronic filing” (e-filing”) is the electronic transmission of documents to and from the court for the purpose of creating a public record of requests and actions in a case. E-filing is complete when the document is docketed. Documents transmitted by facsimile or e-mail are not e-filed documents.

“E-File System” is the service provided by the court for e-filing and e-service of

documents via the internet. The E-File system is an agent of the court for the purpose of electronic filing, receipt, service and retrieval of electronic documents. The service may be accessed at the courthouse using a public access terminal or any internet connected device.

“Electronic service” (“e-service”) is the electronic transmission of a document to a party, attorney, or representative. Electronic service does not include facsimile or e-mail.

“Notice of receipt” is the notice sent by the E-file system after a document has been submitted to the court. Notice of receipt does not mean the document has been or will be accepted and docketed.

“Personal identifiers and private information” include the first five digits of a social security number, driver’s license numbers, bank and other financial account numbers, medical records, information protected by law from public disclosure, and any information ordered sealed, private, or non-public by the court.

“Rejected documents” are e-filed documents which have not been accepted and docketed by the clerk.

“Time of filing” is the date and time shown on the clerk’s confirmation notice and reflected on the e-filed document after clerk review.

B. Official Court Record.

1. As of the effective date, this rule pertains to the electronic filing (“E-filing”) of documents and pleadings and shall apply to custody, visitation, paternity, and support actions filed in the Wood County Juvenile Court. All other cases – including delinquency, unruly, traffic, abuse, neglect, and dependency related matters -- are not impacted by this rule at this time. Electronic submission in delinquency, unruly, traffic, abuse, neglect and dependency related matters, as well as certain cases specifically referenced in Local Rule 7.3, shall be filed pursuant to Local Rule 7.3.
2. Electronically filed, accepted and docketed documents are the official record of the Common Pleas Court of Wood County, Juvenile Division (“court”). E-filed documents have the same force and effect as those filed by traditional means.
3. The court’s electronically filed hearing notices, schedules, orders, decisions, judgments, and other documents are the official court record. The digital signature of a judge or magistrate has the same force and effect as a handwritten signature on a paper document.
4. All parties and persons of interest in court proceedings may access filed and accepted documents electronically via the internet through the Wood County Juvenile Court’s public portal and in person at the Wood County Juvenile Court.

5. This local rule shall be read in conjunction with an Administrative Order as to E-Filing Procedures. A copy of the order will appear at the end of this local rule.

C. Registered E-Filers.

1. All counsel of record shall register with the court's E-File system. The registration link may be accessed through the public access link in the court's website -- <https://www.co.wood.oh.us/juvenilecourt/>.
2. Pro se parties may not register with the E-File system, and are required to file by traditional means.
3. The court may revoke e-filing registration in its sole discretion.
4. By registering as an e-filer, the attorney agrees to file documents electronically and consents to the rules surrounding service of pleadings, motions, and documents as provided for in section E of this rule.
5. A user guide and instructions for the court's E-file system can be found through the public access link in the court's website -- <https://www.co.wood.oh.us/juvenilecourt/>.

D. Fees

1. Registered e-filers must pay all required filing fees and other costs or fees by credit card when prompted by the e-filing system. Any document filed electronically that requires a filing fee may be rejected by the clerk unless the e-filer has paid the appropriate fee.

E. Electronically Submitting Documents.

1. Except as otherwise provided in this rule, all pleadings, motions, briefs, memoranda of law, orders or other documents submitted in designated e-file case types shall be filed electronically through the court's authorized electronic filing system. The clerk shall not accept or file any document in paper form in e-file cases from litigants represented by counsel.
2. Litigants not represented by counsel shall file documents in paper form with the clerk in person, or by U.S. Mail. These pro se paper documents will then be placed into the electronic file system.
3. At all times, the court reserves the right to accept documents for electronic filing or in paper format as may be necessary for the orderly conduct of business.

F. Filing and Service.

1. COMPLAINT AND RELATED DOCUMENTS. Upon electronically filing the original complaint, third party complaint, a pleading which initiates or reopens a case, or any pleading that adds a new party, the filing party shall also electronically file instructions for service of process. The clerk shall issue a summons and process by the designated method of service in accordance with the party's instructions and the Rules of Civil Procedure. Summons and service cannot be issued or completed electronically and must be accomplished as required by the applicable rule or statute.
2. SERVICE OF DOCUMENTS AFTER THE COMPLAINT.
 - a. E-SERVICE. Unless another form of service is required by rule or statute, all documents filed after initial service has been completed shall be served

by the E-File system on registered e-filers. The electronic service of a subsequent pleading, filing or other document in E-file cases shall be considered valid and effective service on all parties and shall have the same legal effect as an original paper document served under former rules. Parties not registered with the court's E-File system shall be served a paper copy by the filing party, not the court or clerk, in accordance with the applicable Rules of Civil Procedure.

- b. CERTIFICATE OF SERVICE. A certificate of service on all parties entitled to service is still required when a party files a document electronically. The certificate must state the manner in which service was accomplished on each party so entitled.

G. Time, Effect and Process of E-Filing through the Justice E-File System.

1. Any document may be submitted remotely with the clerk through the E-File system 24 hours a day, 7 days a week.
2. Upon electronic receipt, the court's E-File system shall issue a confirmation to the e-filer that the submission has been received. The confirmation shall include the date and time of receipt and serve as proof of receipt. The date and time of receipt is NOT the date and time of filing, as all received documents are subject to clerk review.
3. Clerk Review: After clerk review, an e-filer will receive notification from the clerk that the submission has been accepted or rejected by the clerk.
 - a. Documents that are submitted electronically and do not comply with these rules or any associated administrative order may be rejected by

the clerk. If the submission is rejected, the document shall not become part of the court record and the filer shall be required to re-submit the document to meet requirements.

- b. If the submission is accepted, the document shall be docketed and filed.
4. Upon acceptance, the submission shall be deemed filed and shall receive an electronic stamp that includes the date and time the document was electronically filed. Once accepted, the document will be deemed filed for purposes of Ohio law and relevant rules of court procedure.
5. E-filers must always be aware of the statute of limitations, the savings statute, and similar time limits. It is solely the e-filer's obligation to submit only documents which fully comply with court rules, policies, procedures, and practices. Documents which do not fully comply may be rejected, not docketed, and not filed. The e-filer must allow sufficient time for filing, clerk review, and any necessary re-submission. **ELECTRONIC FILING DOES NOT ALTER OR EXTEND APPLICABLE TIME LIMITS.**
6. If a submission is not received because of a system error, the court may, upon satisfactory proof, enter an order permitting the document to be filed nunc pro tunc to the date it was submitted and accepted.
7. Any signature on electronically transmitted documents shall be considered that of the attorney or party or magistrate or judge it purports to be for all purposes. If it is established that the documents were transmitted without authority, the court may order the filing stricken.

H. Personal Identifiers and Private Information

1. The E-filer is responsible for complying with all rules regarding the redaction of personal identifiers and private information. See Local Rule 31.
2. The inclusion of personal identifiers and/or private information may be cause for the clerk to reject the filing.

I. Exceptions to E-Filing

1. All documents relating to civil protection orders shall be filed in paper form with the clerk. All delinquency, dependency, abuse, neglect, traffic, unruly and adult cases shall be filed in paper form with the clerk, or by electronic submission pursuant to Local Rule 7.3.
2. Pro se parties shall file documents in paper form with the clerk in person, or by U.S. mail, or by electronic submission pursuant to Local Rule 7.3.
3. The following specific pleadings shall be filed in paper form with the clerk: Transcripts of proceedings prepared by the court's assigned court reporter; original exhibits; subpoenas which are to be issued by the clerk; deposition transcripts; a form 'Motion, Entry and Certification for Appointed Counsel Fees'; and Affidavits of Indigency. The court reserves the right to electronically scan any of these documents and include them in digital format in the official court record.

J. Court Access to Electronically Filed Documents.

1. Pro se litigants and the public lacking access to appropriate equipment may access records through a public access terminal located in the Wood County Juvenile Court during normal business hours. Registered attorneys may utilize the public access terminal to E-file documents and to view documents.

2. The clerk may charge a fee for printing copies of e-filed and other documents.
No fee is charged to view documents.

RULE 16. Mediation

[NOTE: Revised pursuant to Rule 16 through 16.43 of the Ohio Rules of Superintendence]

The Wood County Juvenile Court incorporates by reference ORC 2710, the Uniform Mediation Act (UMA) and Rule 16 of the Ohio Rules of Superintendence.

DEFINITIONS

- C. Mediator: An individual who conducts mediation.
- D. Non-party participant: A person, other than a party or mediator, that participates in mediation.

RULE 16.01 Referral and participation in mediation

All contested civil cases within the Juvenile Court may be mediated. Mediation is

a voluntary and non-binding option for resolving contested matters before the Court which is open to parties who wish to participate. There is no additional cost for mediation provided that the parties utilize the Wood County Common Pleas Court Mediator. In the alternative, parties who may be referred to the Family Matter Mediation will each pay \$150.00 for up to three (3) hours of mediation services, or parties who are referred to Settlement Week will each pay \$250.00 for up to three (3) hours of mediation services. Parties who wish to utilize mediation may be accompanied by their attorneys and other designated individuals.

Prior to the initial pre-trial in a contested matter, counsel shall discuss the appropriateness of mediation with their client and with opposing counsel. After discussion of mediation with their client, counsel may submit a written request for mediation. Upon review of the case, the Court, if appropriate, may issue an order to refer the case to mediation. The Court reserves the right to refer a case to mediation on its own. Any party opposing a written request for mediation shall file a written response within seven (7) days of receiving notice of the request for mediation.

The court mediator will determine the final eligibility and appropriateness of each referral prior to the commencement of the mediation process and may decline any referral(s) deemed inappropriate. In accordance with all applicable provisions of this rule, if a case is deemed appropriate by the Wood County Common Pleas Court Mediator or the Family Matters Mediation Program, mediation will be scheduled. A mediator may meet with the parties individually prior to bringing the parties together for any reason including, but not limited to, further screening. RULE 16.02 Procedures

The issuance of a warrant without endorsement as to the amount of bond shall indicate that the bond must be fixed by the Judge or Magistrate in Court.

The sufficiency of sureties shall be determined by the Judge or Magistrate in each case. When real property is offered as security by a surety, the Court shall require twice the value of the bond in real property as such value shall appear upon the county tax list maintained by the office of the County Auditor.

RULE 24. Magistrates

The powers and duties of Magistrates in the Wood County Juvenile Court are defined by Rule 40 (Ohio Rules of Juvenile Procedure); Rule 19 (Ohio Rules of Criminal Procedure); and Rule 53 (Ohio Rules of Civil Procedure). All decisions of the Magistrate shall be in writing. Magistrate's Orders shall take effect immediately unless stayed by Court order. Decisions of the Magistrate shall have full force and effect upon being adopted by the Court unless timely written objections are filed.

RULE 25. Objections to magistrate's decisions and appeals of magistrate's orders

Any party to the action may file written objections to a Decision of the Magistrate pursuant to Juvenile Rule 40(D)(3)(b). The filing deadline for an objection is fourteen (14) days after the file-stamped date appearing on the Magistrate's Decision.

A party shall have ten (10) days from the file stamp date of a Magistrate's Order to file a motion to set aside a Magistrate's Order pursuant to Juvenile Rule 40(D)(2)(b). The Judge may affirm, reject or modify the decision or order upon the timely filing of an objection or motion to set aside. The Judge may hear additional evidence at his/her discretion.

The objection or motion to set aside should be accompanied by a supporting memorandum. If a finding of fact or weight of the evidence argument is part of or all of the basis for the objection or request to set aside an order, a transcript of the testimony is necessary to support the objection to the Magistrate's Decision or request to set aside an order and **must** be filed with the Court by the moving party within thirty (30) days after the filing of the objections or request to set aside an order, unless the Judge, in writing, extends the time period. Partial transcripts may be permitted upon leave of the Court. If a transcript is necessary, a party may file a Motion for Extension of Time to allow for preparation of the transcript.

Failure to file a transcript when one is required by this Rule is a basis for dismissal of the objections or request to set aside an order.

Objections or motions to set aside may be set for oral hearing at the request of any party and at the discretion of the Court.

A memorandum in response may be filed by any party within seven (7) days of the filing of the memorandum in support of the objections or motion to set aside or upon a schedule set by the Court.

RULE 26. Local parenting plan and companionship schedule; Long distance

parenting time schedule

LOCAL PARENTING PLAN AND COMPANIONSHIP SCHEDULE

Parenting time is a time for children to enjoy the companionship of the non-residential parent. Parents can effectively use this time by spending time with their children, developing a hobby, teaching them skills and helping them meet friends in the neighborhood.

If a child indicates a strong opposition to being with the other parent, it is the responsibility of each parent to appropriately deal with the situation, by calmly talking to the child as to the child's reasons, to work with the other parent to do what is in the child's best interests, and particularly to avoid confrontation or unpleasant scenes. If the matter is not settled, either parent should seek the immediate assistance of a mental health professional or file a motion with the court. As uncomfortable as this issue may be for a parent, this issue should not go unresolved. IT IS THE AFFIRMATIVE DUTY OF THE RESIDENTIAL PARENT TO MAKE CERTAIN THAT HIS OR HER CHILD GOES FOR THE PARENTING TIME PERIOD.

This Parenting Plan and Companionship Schedule is based upon two guiding principles: 1.) The child's age/development and 2.) Predictability for both the parents and the child.

Parents of a very young child should keep in mind:

- For children up to age 2: At the time the residential parent and/or legal custodian start allowing other care givers to care for the child, the non-residential parent with parenting time should be equally involved.
- For children up to age 5: Vacation limits apply to both parents. Prolonged absence of children from either parent is not recommended.
- The child should be returned to the custodial parent's home one hour before bedtime. If this means ending earlier than the scheduled times, back up the beginning times accordingly. Total time will be the same. If bedtimes change, one week notice must be given.

EXTRACURRICULAR ACTIVITIES: Regardless of the parenting time schedule, the children's participation in extracurricular activities, school related or otherwise, shall continue uninterrupted. It shall be the responsibility of the parent in physical possession at the time of the activity to provide the physical and/or cost of transportation to these activities. The residential parent shall timely provide the other parent with notice of all extracurricular activities, school related or otherwise, in which the children participate, schedules of all extracurricular activities and the name of the activity leader (including address and telephone number if reasonably available).

Scheduled parenting time periods shall not be delayed or denied because a child has other scheduled activities (routine appointments, lessons, sports, etc.) If the activities are regularly scheduled and are not emergencies, they should be agreed upon in advance.

Both parents are encouraged to attend all child(ren)'s activities and each parent is entitled by law to equal access to the student activities of their child(ren), unless limited by court order.

WAITING: The children and the residential parent have no duty to wait for the visiting parent for more than 15 minutes after the scheduled visitation time. A parent who is late forfeits parenting time for that period, unless other arrangements are made.

CANCELLATION BY NON-RESIDENTIAL PARENT: The non-residential parent must give 24-hour advance notice of intent NOT to exercise parenting time. Unless prior arrangements are made, a parent who does not exercise the parenting time forfeits that time. Failure to exercise scheduled time is upsetting to the child(ren). A parent who continually fails to exercise this right may have parenting time modified and may be subject to other legal remedies.

ILLNESS: If a child is ill, requiring medication or consultation with a doctor/dentist, each parent must notify the other as soon as possible. If the child becomes ill while with the residential parent prior to a scheduled parenting time period, the parent must contact the other parent and discuss the advisability of parenting time while considering the best interest of the child as the primary concern.

If the parents agree that there will be parenting time, the residential parent must provide written instructions and sufficient medication for the parenting time period. The non-residential parent shall notify the other parent if the child's condition worsens or does not improve as expected.

If one child is ill and does not participate in the parenting time period, other child(ren) shall enjoy their regularly scheduled parenting time period.

The non-residential parent shall seek emergency treatment if necessary for the child(ren) during his/her period of parenting time.

The residential parent shall communicate, in writing, any allergic or chronic condition of the minor child(ren), together with the medication and recommended treatment.

If the residential parent determines that the child(ren) needs immediate medical treatment during a time of scheduled visitation, the residential parent should give 24-hour notice, if possible, so that appropriate plans can be made by the non-residential parent. However, if more than twenty-four hours is missed due to non-emergency and/or non-critical illness, then any missed visitation shall be made up within 60 days.

VACATIONS : The non-residential parent has priority of choice for vacation parenting time dates if written notice is given to the other parent as shown below. If notice is not timely given, the residential parent has priority in scheduling any vacation plans. As part of his/her summer parenting time, each parent may arrange a period of consecutive (uninterrupted) days as set forth below. Otherwise, no two summer weeks are to be taken consecutively by the non-residential parent. If otherwise allowed, during summer parenting time, the residential parent receives weekday parenting time as enjoyed by the non-residential parent during the rest of the year. The alternating weekends are to continue without interruption.

If summer school is necessary for the child to pass to the next grade, both parents shall ensure that it is completed.

A parent who takes the child(ren) out of town and overnight on vacation, shall provide a general itinerary to the other parent, including dates, locations, addresses, and telephone numbers.

MOVING: Either parent must notify the other in writing at least 30 days in advance of his/her intent to change residence. Each parent shall provide a current address and telephone number to the other parent, at all times. If the parties move more than 150 miles apart, unless the parties agree otherwise, each shall comply with this Court's Long Distance Parenting Time Schedule without further order of the court.

ACCESS TO RECORDS: Both parents shall have access to all educational, medical, dental, optometric, psychiatric and psychological records of the minor child(ren) and may consult with any educators, treating physician, dentist or other health care provider to the children, subject to any specific limitations set forth in the court order. The residential parent shall list the non-residential parent as a parent on all required forms. Upon request of the non-residential parent, the residential parent shall immediately take whatever action is required to assist the non-residential parent in gaining access to all records of the minor child(ren).

OTHER ACCESS: The child(ren) must be allowed to communicate by telephone with both parents a minimum of once per week. In addition, the parties may agree to allow email access to both parents.

CLOTHING: The residential parent is responsible for providing sufficient appropriate clean clothing for every parenting time period. The non-residential parent shall return all items sent with the child. If there is a need to send special clothing needs, the non-residential parent must notify the residential parent at least 2 days in advance of the parenting time.

TRANSPORTATION: It is the Court's intent that each parent provides half of the transportation. The parent who receives the child(ren) shall be responsible to transport the child(ren). The person who transports shall be a licensed, insured driver, shall not be under the influence of alcohol or drugs, and shall follow all traffic laws, including child restraint and seat belt laws.

COMMUNICATION BETWEEN PARENTS: It is the parent's responsibility, not the child(ren)'s, to make all parenting time arrangements. Other than as necessary for 16 and 17 year old children in discussing the parenting time schedules noted below, neither parent should communicate with a child about the issue of parenting time, or future events or activities which conflict with the other parent's scheduled time. It is not the child's responsibility to mediate or become involved in parental differences over parenting times, dates or activities. If the parties are unable to communicate with each other, they may use other adults to make parenting time arrangements. The best solution is to seek professional help to improve their ability to communicate for the best interest of the child(ren).

DISCIPLINE: It is presumed that the parents will use consistent discipline between the households and will communicate with each other concerning the need for discipline of the child(ren). If the parents disagree over the appropriate discipline or solutions to the child(ren)'s behavior, they should seek the help of a professional. Examples of concern are decline in grades, truancy problems, delinquency, or drastic changes in behavior.

NON-COMPLIANCE: Any of the rights or responsibilities outlined in this schedule may

be enforced by the Court after the filing of an appropriate motion by either party. A parent may not withhold parenting rights because the other party does not obey a court order.

A parent who willfully fails to comply with this schedule may be found guilty of contempt of court, the penalty for which is a fine not to exceed \$250.00, and a jail sentence for an initial contempt not to exceed 30 days. The Court may also assess attorney fees, court costs, transportation cost and make-up parenting time in addition to any other remedy at law. Failure to obey court orders may also be the basis for a reallocation of parental rights.

MISCELLANEOUS: Curb-Side Exchange - A legal term written into a court order if necessary. This prohibits the parent from entering upon the property of the other parent for exchange of the children. The residential parent remains in the home while the other parent remains in the car and there is no communication between the parents. The parent who is picking up the child(ren) is to park in front of the home at the scheduled time and honk the horn once to notify the other parent to send the child(ren) to the car.

IF THE COURT ORDER OR DECREE INDICATES THAT THE COURT SCHEDULE IS THE ORDER FOR PARENTING TIME/ACCESS, THEN THE ORDER OF THE COURT IS THE FOLLOWING: PARENTING TIME SHALL TAKE PLACE AT SUCH TIMES AND PLACES AS THE PARTIES CAN AGREE. This shall not be less than:

LONG DISTANCE PARENTING SCHEDULE *(To be read together with the Local Schedule)*

The provisions of the Local Parenting Time Schedule will apply, unless modified by the following paragraphs. Although frequent contact is recommended, distance and cost of transportation may prohibit implementing the local schedule. The parties are encouraged to agree to a schedule that is convenient and workable for the parents and the child. It will be important to consider the child's extracurricular activities when scheduling parenting time. In the absence of agreement, parenting time for the non-residential parent of the school age child will NOT BE LESS THAN the following:

WEEKENDS: Once per month if the travel time one way is less than 3 hours. The non-residential parent shall notify the other parent as soon as possible and not less than 10 days in advance.

WEEKDAYS: There will be no weekday parenting time, unless the parent is in the child's vicinity. The non-residential parent has the responsibility to notify the residential parent at least two days in advance when (s)he will be in the area and the residential parent shall allow reasonable parenting time.

HOLIDAYS AND BIRTHDAYS: For the holidays that create a 3-day weekend, the

non-residential parent shall have parenting time from Friday to Monday when the holiday is his/her scheduled holiday. In addition, if there is an extended weekend as a result of a school conference, the non-residential may exercise parenting time for the weekend.

During the even numbered years, the non-residential parent shall have the entire Christmas break for school age children. For preschoolers, the non-residential parent shall have up to 5 days during the Christmas break.

The non-residential parent shall be entitled to any days afforded him/her under the schedule so long as arrangements can be made at his/her expense.

SUMMER and SPRING BREAK: There are two options for summer and spring vacation. The residential parent shall notify the non-residential parent of the *summer vacation* dates by March 15. The non-residential parent then has the responsibility to notify the residential parent of their intentions by April 15. *The parents will decide which schedule (I or II) to use at the time the parent moves or at the time of final hearing.*

- I.
 - A. If the parents do not communicate in advance or make provisions in a court order, the non-residential parent shall enjoy the *first half of the summer* in even numbered years and the second half of the summer in odd numbered years.
 - B. The parents are reminded that *summer vacation* shall be arranged to allow summer school for the child if it is necessary for the child to be promoted to the next grade.
 - C. Additionally, the non-residential parent will enjoy *every Spring Break*, from the evening of the last day of school until 6 p.m. the day before school starts

-OR-

- II.
 - A. The Saturday after the last day of school until the first Saturday in August.
 - B. The residential parent shall have *every Spring Break*.

WAITING: The children and the residential parent have no duty to await the non-residential parent for more than 30 minutes after the scheduled parenting time, unless there is an emergency and advance notice is reasonably given.

COSTS OF TRANSPORTATION shall be considered at the time of final hearing based on all the circumstances of the case and shall be set forth in the Judgment Entry. In the absence of agreement or a decision, the costs shall be divided based on the percentages of income as set forth in the child support worksheet.

RULE 27. Court record retention

The Court shall retain all administrative records and index, docket, journal and case files pursuant to the Ohio Rules of Superintendence. Pursuant to Rule 26.03 of the

Ohio Rules of Superintendence and as extended by the Wood County Juvenile Court, Juvenile Court records shall be retained as indicated in the attached APPENDIX A.

RULE 28. Traffic violations bureau

Under Ohio law, certain juvenile traffic offenses can be processed through a local juvenile court traffic violations bureau in lieu of a court appearance.

A traffic violations bureau is established by the Wood County Juvenile Court. The Clerk of Courts is appointed its violations clerk, who shall collect fines paid to, give receipts for, and render accounts of the bureau.

The schedule of fines and costs which shall be charged by the violations bureau are established and are published and attached as APPENDIX B, "Fines and Costs in Traffic Cases."

Pursuant to Rule 44 of the Rules of Superintendence for the Courts of Ohio, the Court shall restrict the following sensitive documents from public access:

- Health care records
- Drug and alcohol reports
- Guardian ad litem reports – including reports of Court Appointed Special Advocates

Authorized viewers may take notes while reviewing confidential reports and documents, but are strictly prohibited from photocopying these documents, distributing or showing them to unauthorized individuals, or removing them from the Juvenile Courthouse. Upon completing a review of the restricted documents, these documents are to be immediately returned to the Judge, Magistrate, or designated Court clerk.

As a general rule, unless otherwise noted in these rules or as may be exempted by law, the following records in Juvenile Court proceedings will remain accessible:

- Dockets
- Complaints
- Responses
- Answers
- Motions
- Decisions
- Judgment Entries along with Orders

Pursuant to an administrative Judgment Entry filed by this Court on January 13, 2011,

all abuse, neglect and dependency case documents are exempt from public record access, except as specifically ordered by the Court after motion and good cause shown.

RULE 30. Court Security

- A. Appropriate levels of security should exist in the court to protect the integrity of court procedures, protect the rights of individuals before it, deter those who would take violent action against the court or litigants, sustain the proper decorum and dignity of the court, and assure that court facilities are secure for all those who visit and work there.
- B. Under Sup.R. 9:
 - 1. The court has appointed a Court Security Committee to meet on a periodic basis for purposes of reviewing and implementing court security standards.
 - 2. The court has implemented a local security policy and procedure plan consistent with the Ohio Court Security Standards adopted by the Supreme Court of Ohio.
- C. The court shall adopt a security operations manual, which shall set forth written directives for the purpose of ensuring security within the court while maintaining accessibility to the community.

RULE 30.1. Weapons prohibited

- A. No person, with the exception of those persons listed in section B of this rule, may convey or attempt to convey, possess or have under his or her control a deadly

weapon or dangerous ordnance in the Wood County Juvenile Court or in another building or structure in which a Wood County Juvenile Courtroom is located. This prohibition includes those persons licensed to carry a concealed weapon pursuant to R.C. 2923.125 or 2923.1213.

B. The following persons are permitted to convey, possess, or have under their control a deadly weapon or dangerous ordnance in the Wood County Juvenile Court or in another building or structure in which a Wood County Juvenile Courtroom is located:

1. A judge or magistrate of a court of record of Ohio
2. A peace officer who is authorized to carry a deadly weapon or dangerous ordnance, who possesses that weapon or ordnance as a requirement of that peace officer's individual duties, and who is acting within the scope of his or her duties at the time of possession or control
3. A person who conveys, attempts to convey, possesses or has under his or her control a deadly weapon or dangerous ordnance that is to be used as evidence in a pending criminal or civil action or proceeding
4. A bailiff of the court or court constable authorized to carry a firearm by R.C. 109.77 who possess or has under his or her control a firearm as a requirement of his or her duties and who is acting within the scope of his or her duties at the time of possession

who is acting within the scope of his or her duties at the time of possession or control

- C. This Court does not provide the service of securing handguns, except to authorized law enforcement personnel.

RULE 30.2. Juvenile restraint

Consistent with Rule 5.01 of the Rules of Superintendence for the Courts of Ohio, a presumption is created by this local rule that physical restraint of juveniles shall not be utilized unless the judge or magistrate before whom the child is appearing makes an individualized determination on the record that there is no less restrictive alternative to the use of physical restraint and that the physical restraint of the child is necessary because of either of the following:

- A. The child represents a current and significant threat to the safety of the child's self or other persons in the courtroom;
- B. There is a significant risk the child will flee the courtroom.

The judge or magistrate is required to permit any party to be heard on the issue of whether the use of physical restraint is necessary for that particular child at that particular proceeding. A party is defined in Juv R. 2(Y) as a child who is the subject of a juvenile court proceeding, the child's spouse, if any, the child's parent or parents, or if the parent of a child is a child, the parent of that parent, in appropriate cases, the child's custodian, guardian, or guardian ad litem, the state, and any other person specifically designated by the court

If physical restraint is found to be necessary by the judge or magistrate, the restraint shall be the least restrictive necessary to meet the risk requiring the restraint and in a manner which does not unnecessarily restrict the movement of the child's hands.

RULE 31. Personal information

Upon the filing or submission of a case document a party shall omit personal identifiers from the document.

- A. "Personal Identifiers" means social security numbers, except for the last four digits; financial account numbers, including but not limited to debit card, charge card, and credit card numbers; employer and employee identification numbers. Consistent with this Court's Judgment Entry filed January 13, 2011, abuse, neglect and dependency cases are not generally accessible to the public absent an Order of this Court. Given this, parties to abuse, neglect and dependency cases may file pleadings with the full names of the youth involved.
- B. When personal identifiers are omitted from a case document submitted to the court, the party shall submit or file that information on a separate form. The parties may use a form provided by the court or a form of their own. Redacted or omitted personal identifiers shall be presented to the court upon request or to a party by motion.
- C. The responsibility for omitting personal identifiers from a case document submitted to the court or filed with a clerk pursuant to this rule shall rest solely with the party. The court or clerk is not required to review the case document to confirm that the party has omitted personal identifiers, and shall not refuse to accept or file the document on that basis.

RULE 32. Competency proceedings

- A. General Purpose

The purpose of these rules is to expedite proceedings under sections 2152.51 to 2152.59 of the Revised Code, to ensure that proper notice of competency hearings is provided to the appropriate persons, and to ensure that any proceedings on an underlying complaint are stayed pending the determinations under these sections.

B. Expedited Hearings

Juvenile competency proceedings shall be scheduled and heard on an expedited basis. Hearings in juvenile competency proceedings shall be held in strict compliance with applicable deadlines as established by statute or by this rule.

C. Notice

Upon the conclusion of each hearing, the court shall provide written notice to the prosecuting attorney, the child's attorney, the child's guardian ad litem, and the child's parents, guardian, or custodian of the date, time and place of the next scheduled hearing.

D. Stay of Proceedings

Upon the filing of a motion for a determination regarding a child's competency or upon the court's own motion the court shall stay all delinquency proceedings pending a determination of competency. If, upon a determination of competency, the court determines that the child is not competent but could likely attain competency, the court order staying the delinquency proceedings shall remain in effect until such time as the child attains competency or the proceeding is dismissed.

Rule 33. Court Technology Plan

In accordance with Superintendence Rule 5(E), the Court shall adopt and maintain a court technology plan which will include:

- (1) A comprehensive strategy for implementing and maintaining technology solutions for conducting remote hearings, electronic service, the acceptance of electronic signatures, and any other technology-related solution utilized by the court or divisions; and
- (2) Procedures for notifying and providing instructions to the public on how to use the technology solutions implement by the court or division and how the solutions will comply with any accessibility accommodation requirements, including any applicable requirements of the “Americans with Disabilities Act.”

This plan will be available from the office of the Clerk of Court and posted on the Court's website at www.co.wood.oh.us/juvenilecourt/.

Rule 34. Language Access Plan

Rule 34. Language Access Plan

In order to comply with the Rules of Superintendence for the Courts of Ohio -- Sup.R. 80, 82.01, 85, 88, and 89 and Appendices G and H (as amended effective July 1, 2023) -- the Wood County Juvenile Court adopts the following Language Access Plan.

Wood County Juvenile Court's Language Access Plan was developed to ensure equal access to court services for limited English proficient and hearing-impaired court users. Services include, but are not limited to, in-person and remote interpretation and translation during official court business as well as in the context of ancillary services, such as phone calls and counter help.

Wood County Juvenile Court designates the acting Clerical Director as the Language Access Coordinator. The Language Access

Coordinator is responsible for overseeing and arranging language services as well as handling related complaints.

Said request will be accommodated to the extent possible in compliance with all federal, state, and local laws. The court, on its own initiative, may require language services for any party to ensure their meaningful participation in the action.

This plan, as well as translation resource materials, will be displayed at the public entrance to the clerk's office and court website. Court staff will be trained on language access resource and referral practices.
